Carissa

I'm reading Opposite of Always by Jason A. Reynolds and it is a mix of scientific and contemporary fiction because there's some time travel!

Elizabeth

Oooo to add to elements of time travel, I'm reading Stephen King's 11/22/63, fiction that so far isn't really about horror that Stephen King usually does but about someone going back in time

APR 5, 12:43 PM

Eva

I'm reading The Sound of Stars by Alechia Dow which is a YA science fiction novel set on an alien-invaded Earth as the characters go on a road trip to save the world

Karen

I'm reading the same book as Carissa!

I'm reading a song below water by Bethany morrow
