Hello Ms. Waller,  
Permission is granted to deposit Dr. Prádanos-García's article into Miami University's Scholarly Commons.  
Please feel free to deposit the final pdf version.  
Thank you.  
Sincerely,

*Rosalía Cornejo-Parriego, PhD*

**Subject:** Re: Permission to post author's article

Hello Dr. Cornejo-Parriego,

I'm following up on my email below. Would it be more expedient to have a telephone conversation? If so, I'm happy to set up an appointment.

Thanks,  
Jen

Dear Dr. Cornejo-Parriego,

I am contacting you on behalf of Dr. Luis Prádanos-García, a contributing author to *Revista Canadiense de Estudios Hispánicos*. Dr. Prádanos-García has authorized me to email you on his behalf. Please feel free to

forward this email to the appropriate person if necessary.

Dr. Prádanos-García would like to deposit the full text of the article listed below into Miami University's Scholarly Commons, Miami's institutional repository at <http://sc.lib.miamioh.edu>. The Scholarly Commons is a not-for-profit digital repository for scholarly work created by faculty at Miami University. It helps make their research and scholarship available to a wider audience and helps assure its long-term preservation.

The record of each article includes the complete citation for the published version, along with a URL linking back to the journal. The article for which I am seeking permission is:

**"Ecocrítica y epistemología subalterna en Eduardo Galeano." *Revista Canadiense de Estudios Hispánicos* 36.2 (invierno 2012)**

We prefer to archive the final pdf version as it appears in print. The final pdf version has an advantage over the author's own version, in that it maintains consistency in appearance of the article wherever it is read. This also maintains a closer association of the article with the journal through the header-title and journal house-style.

Could you please email me your permission for the article listed above along with any associated conditions? If it would be possible to use the published pdf version of the article for this purpose, then please confirm this. I have been unable to find the journal's author self-archiving policies on the website or in the [SHERPA/RoMEO](#) database.

Thank you for your time and attention, and I look forward to hearing from you. I will follow up with you during the week of February 15, 2015 if I have not heard from you by then.

Best Regards,  
Jen
